ENVIS RP on Environmental Biotechnology, University of Kalyani
West Bengal, India
Sponsored by: MoEF & CC, Govt. of India**

World Ozone Day was declared by the United Nations General Assembly in 1994. It is celebrated every year since then to spread awareness of and bring attention to the depletion of the stratospheric ozone layer. This day is also celebrated to search for possible solutions to ozone layer depletion. This year the theme of World Ozone Day is “Ozone for Life: 36 Years of Ozone Layer Protection.” Due to COVID-19 pandemic this year, DESKU ENVIS Resource Partner on Environmental Biotechnology, University of Kalyani, supported by the Ministry of Environment, Forest and Climate Change (MoEF & CC), Govt. of India, New Delhi, organized a debate and drawing competition among schoolchildrens on the occasion of World Ozone Day, 16th September, 2021, through virtual mode. A brochure for the competition was widely circulated through the website of University of Kalyani, facebook page, Whatsapp group, Twitter page and other social media. For both the competitions, participants registered through Googleform. Scanned copy of the drawing sheets (in A4 paper) were submitted by the participants. The debate competition was conducted online through GoogleMeet on 16th Sept, 2021 at 12 noon. More than 50 participants participated in these competitions.

1. Theme of the Debate competition-Ozone for life

2. Theme of Drawing competition-Ozone Day

For Debate Competition: Category I – Students of Class III-V in schools

Category II - Students of Class VI-VIII in schools

For Drawing Competition: Category I - Students of Class I-IV in schools

Category II - Students of Class V-VIII in schools

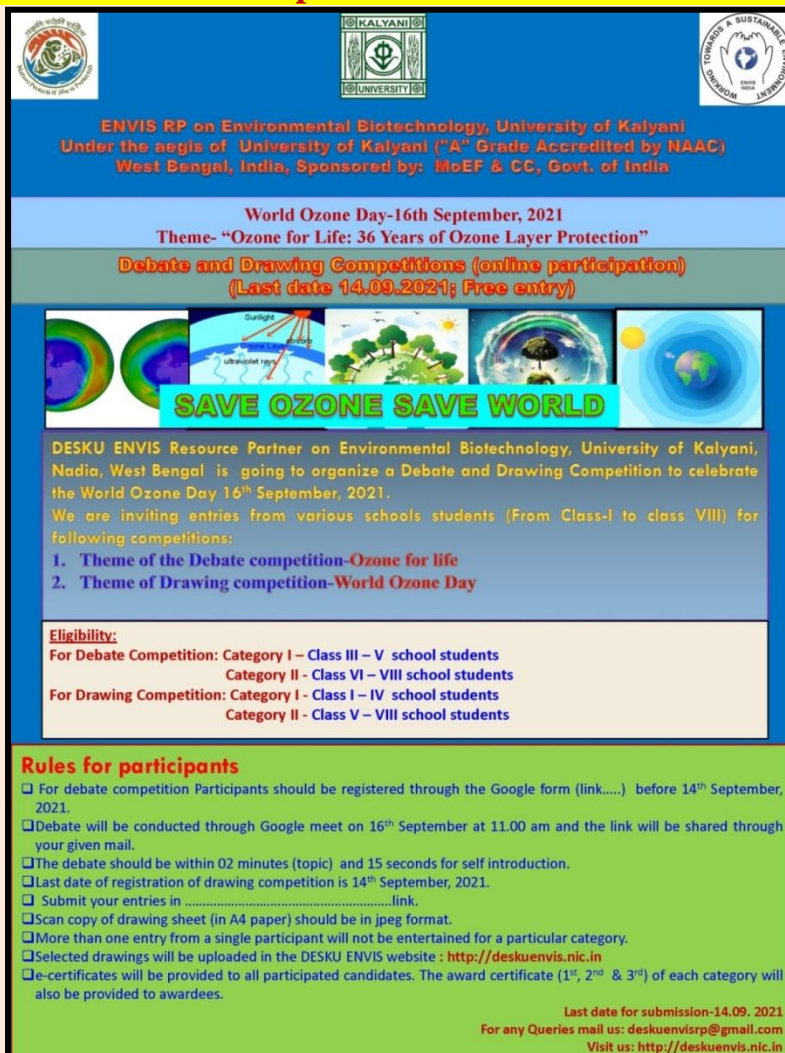

The debate competition was conducted by on the ozone day. Prof. Asoke Prasun Chattopadhyay, Coordinator, ENVIS RP, Dr. Subhankar Sarkar, Deputy Coordinator, ENVIS RP acted as judge in the competition. Dr. Anusaya Mallick, Programme Officer, ENVIS RP hosted the programme. Initially Prof. Asoke Prasun Chattopadhyay, Coordinator, ENVIS RP speak on the theme of the ozone day.

The session was concluded by the vote of thanks by Dr. Subhankar Sarkar, ENVIS RP, Deputy Coordinator. On behalf of the ENVIS centre he conveyed heartfelt thanks to the University of Kalyani, for giving permission to organising these competitions. Then he expressed thanks to the ENVIS Secretariat and their staffs for encouragement and Ministry of Environment, Forest

and Climate Change, Govt. of India. He extended her gratitude to all the participants for participating in the competitions.

E-certificates were provided to all candidates who participated. The award certificate (1st, 2nd & 3rd) of each category was also provided to awardees.

Competition Brochure

The brochure is a vertical rectangular poster with a blue background. At the top, there are three logos: the MoEF & CC logo on the left, the University of Kalyani logo in the center, and the DESKU ENVIS logo on the right. Below the logos, the text reads: "ENVIS RP on Environmental Biotechnology, University of Kalyani Under the aegis of University of Kalyani ('A' Grade Accredited by NAAC) West Bengal, India, Sponsored by: MoEF & CC, Govt. of India". The next section is a light blue banner with the text: "World Ozone Day-16th September, 2021 Theme- 'Ozone for Life: 36 Years of Ozone Layer Protection'". Below this is a green banner with the text: "Debate and Drawing Competitions (online participation) (Last date 14.09.2021; Free entry)". The central part of the brochure features a row of five illustrations: a globe, a globe with a sun, a diagram of the ozone layer with arrows showing UV radiation, a globe with a tree, and a globe with a sun. Below these illustrations is a green banner with the text "SAVE OZONE SAVE WORLD". The text below this banner reads: "DESKU ENVIS Resource Partner on Environmental Biotechnology, University of Kalyani, Nadia, West Bengal is going to organize a Debate and Drawing Competition to celebrate the World Ozone Day 16th September, 2021. We are inviting entries from various schools students (From Class-I to class VIII) for following competitions: 1. Theme of the Debate competition-Ozone for life 2.
