Kalyani, Nadia, West Bengal**

**Sponsored by: Ministry of Environment, Forest & Climate Change, GoI,  
New Delhi**

World Environment Day celebrated every 5<sup>th</sup> of June. It is the biggest annual event in the world coined through United Nations Environment Programme (UNEP) to mark the environmental awareness among the people. It is the largest global platform for environmental public outreach and is celebrated by millions of people across the world. This year the theme of World Environment Day 2023 is “**Beat Plastic Pollution**”. This year’s campaign highlights the attention on solutions to plastic pollution. We can choose to raise awareness about the behemoth that plastic has become by sending some of these messages.

This year DESKU ENVIS Resource Partner celebrated the World Environment Day along with all university communities through plantation programme at 1. 00 P.M in front of the S.N Bose Building, University of Kalyani. The plantetion programme was started with the administration of Honb’le Vice Chancellor Prof. (Dr.) Amalendu Bhunia, University of Kalyani, Nadia, West Bengal. The Hon’ble Vice chancellor inaugurated the world Environment Day by planting the tree saplings. Prof. (Dr.) Keka Sarkar, Dean, Faculty of Science, Prof. Kausik Monal, Coordinator, DESKU EIACP, EIACP staffs, Officers, faculties, students and research scholars were participated in the programme and planted the tree saplings.

A pledge on mission life was held followed by a plantation drive at DESKU EIACP office, S.N Bose Innovation Centre, University of Kalyani. All the participants took part in this event.
