Awareness programme on Life style for Environment (LiFE)

Organised by:

DESKU EIACP PC-RP on Environmental Biotechnology, University of Kalyani, West Bengal, India, Sponsored by MoEF & CC, Govt. of India, University of Kalyani.

On the occasion of National Science Day, DESKU EIACP PC RP on Environmental Biotechnology conducted an Awareness programme on Lifestyle for Environment (LiFE) of seven action points (Energy Saved, Water Saved, Single Use Plastic Reduced, Sustainable Food Systems Adopted, Waste Reduced, Healthy Lifestyles Adopted and E-Waste reduced) at Uttar Rajapur, Nadia, West Bengal on 28th February, 2023.

ENVIS staffs (Dr. Anusaya Mallick, Programme officer, Mr. Sourov Banerjee Information officer and Mr. Tanmoy Acharjee, IT Officer) were participated in the programme. Mr. Tanmoy Acharjee, IT Officer of DESKU EIACP gave the welcome address. Dr. Anusaya Mallick, Programme officer of DESKU EIACP gave an interactive talk on Lifestyle for Environment of seven action points. More than 50 participants of different categories (women, children, farmers and teachers) were participated in this programme.
